CONFIRMATION OF BOOKING: Your booking will be accepted and confirmed only once we've received your signed and completed booking sheet, your pre-order (for meals, wine and any special dietary needs) and your deposit details.

DEPOSIT: For Festive Menu lunch and evening bookings we require a deposit of £10 per person. We'll take the amount of the deposit off your final bill.

CANCELLATIONS (AS IF!): Not that you'll want to, of course, but if for some inexplicable reason you need to cancel your reservation, please tell us at least 48 hours before your event to avoid losing your deposit.

CHANGE OF NUMBERS: Similarly, if the number of guests in your party goes up or down, then please let us know at least 48 hours before your event.

SERVICE CHARGE: Please note that we do not add a service charge, so if you would like to leave one, rest assured every penny goes to the lovely, hardworking people who prepare and serve your food and drinks. It is the season of goodwill, after all...

PAYMENT TERMS: We accept all major credit cards and cash. Please make sure you settle your outstanding bill before you leave. (By the way, all of our toilet windows are very small...)

JUST A COUPLE OF THINGS... We're assuming you're here to enjoy our food and beverages, so please, don't eat or drink anything you haven't got from us while you're here. (It won't be as good as ours anyway.) And while it may never happen, we also reserve the right to refuse entry, even to those with bookings, if it's in the interests of our staff, other guests or property to do so.

OOPS... Once the party's in full swing, things can get lost, swiped, busted or put to sundry inappropriate uses. It happens. We know this. So, we do reserve the right to charge for damages, however obscure or unlikely the cause. We also regard the person who makes a Christmas booking as the one responsible for the rest of the group's actions and behaviour. So if you want to have a quiet word anywhere (and you know who they are) now's the time.

At the end of the day we want to take care of you and make sure that you and your guests have a sensational Christmas celebration with us. If that means that we have to do a little back bending to give you what you want, that's fine, so if there's anything special you have in mind, talk to us – if we can do it, we will!
